[DLL Files Fixer Crack \(v3.3.92\)License Key Plus Activator Latest 2019](#)

The screenshot displays the DLL-files Fixer application window. At the top, there is a navigation bar with icons for Status, Scan Registry, Install DLL Files, Backup Registry, Settings, and Register Now. A prominent red banner at the top of the main area reads "Attention! 566 registry errors found" with a "Fix Errors" button. Below this, a table lists the registry sections and their associated errors and damage levels.

Registry Section	Errors	Registry Damage Level
System related errors Errors affecting all users profile on the PC.	98	High
Com and ActiveX errors Errors related to Com and Active-X components.	124	High
User related errors Errors affecting your personal profile.	328	High
Startup and Uninstall errors Errors related to Startup and Uninstall sections.	16	Medium

At the bottom of the table, it states "Total registry errors found: 566" with another "Fix Errors" button. A link for "Error Details" is also visible.
